Hi, I'm going to try and get this finalized and then a PP deck worked up for the Tech Panel, HHOC and SSP to approve for the STPC agenda on June 10.

Thoughts?

Thanks Penny. Yes, that style cover will do just fine. Beneath the title you can add in smaller bold font: **External Peer Review Draft**

Hi Lawrence!

First, we found the EN library and have everything we need for that!

Thanks for answers to the other questions.

Here is a cover I was talking about (For some reason, I thought you'd been involved with a report we recently worked on. Sorry!)

Hi Lawrence and Mike,

I have several questions for you on the Cumulative Risk Assessment Guidelines:

1. Do you want the cover page to look like previous report? PLEASE CLARIFY WHAT PREVIOUS REPORT YOU REFER TO. WAS IT A FINAL?
2. Should the included disclaimer be for a final document (as you have it) or for a draft? PLEASE REFER TO IT AS A DRAFT.
3. Keep the Draft watermark? REMOVE THE WATERMARK, INDICATE DRAFT NOT FOR CITATION ON EACH PAGE WITH THE FOOTER.
4. Do you want a list of acronyms? YES.
5. Do you have the Endnote library? I'M UNABLE TO FIND ONE. THE 7/17/18 EMAIL FROM YOU WITH THE EDITED GUIDANCE DID NOT INCLUDE AN ENDNOTES LIBRARY, AND I DON'T HAVE ANY RECORD I CAN FIND OF RECEIVING IT FROM WHITNEY. I AM CHECKING TO SEE IF POSSIBLY IT WAS SENT AT A LATER DATE BY ONE OF YOUR COWORKERS.

We are checking with Whitney on the Endnote Library, but in the meantime, I thought I'd check with you. I assume we sent it with you when we first edited this document, but we might not have.

Thank you!
Penny
